

A tribute to the music to...

# UB40 and Bob Marley

I have been listening to reggae all my life, in the last four years I started singing on karaoke and then got involved in a local reggae band playing covers I have fronted the band at the bath pavilion on three occasions which were near sellouts(700+people)one of those nights was alongside 90's uk reggae star pato banton which I sung 'baby come back' alongside pato. I have also played in front of thousands at numerous local festivals(st pauls carnival and ashton court festival)

A couple of years ago I made final stage and narrowly missed out on appearing on 'stars in their eyes' as ali Campbell of ub40 singing red red wine.

And recently I have been doing solo work self contained or alongside a disco in pubs, clubs etc  
My show Is either a ub40 tribute or mixture of reggae hits
